

2025 SHOWDOWN SERIES

Masters Summer 2024 End of Session Qualifier

National has moved the Showdown Series in Vegas from the August WPC event to the April Poolplayer Championships event (Ladies, Masters, Jack & Jill and 8 Ball Doubles). As such, the final qualifying session has moved from the Spring Session to the Fall Session.

As this is a transition year for qualifying for April, there are only two sessions (Summer 2024 & Fall 2024) that will be used to qualify teams.

For the Masters event there will be a Summer 2024 end of session qualifier on November 2. There will be also a Fall 2024 end of session qualifier run in February 2025 (date TBD)

One team from the Summer end of session qualifier will advance to the Masters Team Vegas Qualifier. Two teams will advance from the Fall 2024 end of session qualifier. The Vegas Qualifier will also be run in February 2025 (date TBD)
