

# *Local Team Championship*

## **TOURNAMENT RULES**

1. **PRACTICE TIME** – Practice is not allowed on any tournament table, except during specified periods, and only with the permission of the League Operator. You are encouraged to practice on all tables designated for that purpose, and are asked to share the practice tables with any other contestants who wish to use them. Generally speaking, a 10 or 15 minute time limit is advised for any one or two individuals using the practice table if other contestants are waiting. Any table designated as a practice table during the event should be reserved for those contestants who have not yet been eliminated from the tournament. Practice is not allowed on tournament tables during play, even though a table may not be in use during short periods.
2. **FORFEIT TIMES** - Forfeits will be determined 15 minutes after a match has been called. If a team has registered for the tournament, every effort will be made to locate the team before a forfeit is declared. The League Operator determines when a match is officially forfeited.
3. **SUDDEN DEATH FORMAT** – When the *Sudden Death* format is in effect, all other League rules apply to player selection. We ask all players to help keep to the schedule by being ready to play when their match is called, and by observing the *Match Time Guidelines*.

**8-BALL SUDDEN DEATH** - This format is implemented 3 hours and 45 minutes into an 8-Ball match. Each team match must be in the 5<sup>th</sup> individual match by the *3-hours-and-45 minutes* mark, or the next match will be one game for 2 points. If this does not decide the winner the same players will play another game for 1 point. If this is the fourth match and the game is not decided by those three points the 5<sup>th</sup> match will be played with the same guidelines. If this still ends in a tie the winner would be the team with the most matches won.

**9-BALL SUDDEN DEATH** – This format is implemented 3 hours into a 9-Ball match. Each team match must be in the 5<sup>th</sup> individual match by the *3-hours* mark, or all subsequent matches will consist of all points earned being doubled. Each object ball pocketed will count as 2 points and the 9-ball will count as 4 points.

- **Your League Operator may choose to split matches rather than use the Sudden Death format.**

4. **DECLARING PLAYERS** - Once both teams in a match have declared a player, the players cannot be changed unless the 23/19 Rule is in jeopardy.
5. **COACHING** - A player may only be coached *once* per game. If a coach suggests a timeout to the player, the time-out must be taken. However, if a player asks for a time-out, the coach can refuse to take it and no time-out will be charged. Mark all coaches (time-outs) with a “T” on your scoresheet. Coaches are allowed to place the cue ball (during a coaching time-out) in a ball-in-hand situation. All rules regarding fouling the cue ball apply to the coach when placing the cue ball for a player.
6. **CHECKING PLAYER IDENTIFICATION** – A current picture I.D. is required! All tournament participants must present a current, certified, positive picture I.D. in the form of a state I.D. from their state of residence, a military I.D. or a passport, prior to competing in the event. Your I.D. must be available for review prior to competing in each match. If you do not have a proper picture I.D., you will not be allowed to play. In all higher Level Tournament

events it would be considered standard procedure for good sportsmanship if at the beginning of each match contestants provided proper identification to their opponents before shaking hands. Each player in a match at a Higher Level Tournament event should be satisfied with the identity of their opponent in the match. If a player does not have their I.D. at that time, the team will forfeit that individual match and the use of that player for the remainder of the match. The opponent remains eligible to play in a later match; however, the team must show it can stay within the 23-Rule by using a remaining player on the roster. If a player(s) neglects to ask an opponent for proper identification prior to the lag at the beginning of their match, and the identity of the opponent becomes questionable after a game is in progress, the only option is to finish the current game, then ask for a tournament official to verify the opponent's identification before continuing the match. The League Operator is the only person who can make a judgment on any form of I.D. in question and will decide what course of action will be taken concerning the identity of the player in question.

7. **IMPERSONATING A PLAYER** – Any team containing a player entering or participating under fraudulent circumstances will be disqualified.
8. **SCOREKEEPING** – Scoresheets with *innings* recorded and *defensive shots* marked must be kept by a member of both teams. If it is determined a team is not marking defensive shots, then the League Operator may arbitrarily raise some or all skill levels of players on that team. Scoresheets must be signed and turned in to the Control Table to receive credit for match wins. Refusal to sign a scoresheet does not affect any match protest. It is the responsibility of the winning team to make sure the Control Table receives proper scoresheets.

**8-BALL ONLY** – Mark **Early 8** (E8), **8-ball Scratch** (8S), **8-on the Break** (8OB), and **8-Break and Run** (8BR) on your scoresheets. Patches/pins for **8-on the Break** and **8-Break and Runs** will be awarded. Patches/pins must be claimed by the Team Captain at the Control Table **when** the scoresheets are turned in for processing.

**9-BALL ONLY** – When one team reaches 51 points, **the match is over**. Do not finish out that individual match; simply mark on the scoresheet **Not Finished** (NF). Make sure you mark all balls pocketed, dead balls, **Break-and Run** (9BR) and **9-on the Snap** (9OS). Patches/pins for the **9-on-the Snap** and **9 Break and Run** will be awarded. Patches/pins must be claimed by the Team Captain at the Control Table **when** the scoresheets are turned in for processing.

**IMPORTANT NOTE: ANY TEAM CAUGHT FRAUDULENTLY KEEPING SCORE—ADDING INNINGS, ALTERING SCORESHEETS IN ANY MANNER, ETC.—WILL BE SUBJECT TO DISQUALIFICATION.**

9. **DRESS CODE** - Proper attire must be worn at all times in and around the tournament site. The League Operator shall determine what is proper attire, and is responsible for requiring the change of improper attire on the part of any contestant. Any change of improper attire will not be just cause for delay in the progress of a team match.
10. **NO SMOKING** - Smoking is not permitted in the building. There is a designated smoking area outside.
11. **GAME RULES** - APA game rules and Local Bylaws apply.

12. **SKILL LEVELS** - The APA is the sole judge of a player's ability, and may at any time raise a player's skill level if the APA believes that he/she is not playing up to their true ability. It is especially important that the skill level at which you participate in this event reflects your true ability according to National rules and standards. **This is your responsibility.** You are advised by the APA to make certain that you and your teammates fully understand and conscientiously follow all of the rules and standards. If you determine you or one of your teammates skill level is not accurate, then you must notify your League Operator prior to entering and playing in the event. Doing so will not necessarily prevent your disqualification; it will, however, help in determining your eligibility status.
13. **FOULS** - Fouls may be called by the player or by his/her coach. It should be kept in mind, since everybody on the team may communicate with the coach, that in effect, anyone on the team may call a foul, but only a call made by the coach or the player makes it official. Before taking ball-in-hand, each player is advised to make certain they actually have ball-in-hand. If you do not confirm ball-in-hand with your opponent, or with tournament officials, and there is a difference of opinion, then you subject yourself to the potential costly mistake of fouling the cue ball unknowingly.
14. **CUE BALL FOULS** - The cue ball is always alive. Do not touch the cue ball while it is still rolling. Doing so may result in a foul.
15. **CLOSE SHOTS** - If a shot looks like it may result in a "bad hit," stop the game and get a tournament official to make the call. Either player may stop the game to ask for a call. The decision of the tournament official is final. If a shot is close and a tournament official is not called, the ruling will have a tendency to be in the shooter's favor.
16. **MARK THE 8-BALL (8-Ball Only)** – The pocket the 8-ball is intended to enter must be marked with a coaster, pocket marker or any other reasonable marker. To avoid confusion, marking the pocket with chalk is not recommended. If a player pockets the 8-ball without marking the intended pocket and the opponent calls "loss of game" prior to racking, it will result in a loss of game. Both players may use the same marker. Only one marker should be on the table. However, if more than one marker is on the table, as long as you clearly mark the pocket where you intend to pocket the 8-ball you have properly marked the pocket. If the marker is already at the intended pocket from a previous attempt or game, it is not necessary for the shooter to touch it, pick it up, or reposition it. **Anyone** may remind a player to place the pocket marker and it will not be considered coaching or a foul.
17. **THE 23-RULE** - The 23-Rule will be enforced. No team may play five players whose combined skill levels exceed 23. In addition, a team must show that it could have fielded a legal team (meaning it could have fielded 5 players that did not exceed 23) if the match had gone the entire 5 individual matches. If the total skill levels of the lowest five players listed on your roster are equal to or less than 23, then your team can meet the 23-Rule. This means that a team may not lead off with three players whose skill levels add up to 19 unless there are two 2's listed on the roster. A team may not try to win with its first three players and disregard the 23-Rule. All the above applies to the Ladies Division except that it concerns the 19-Rule instead of the 23-Rule.

**WHAT HAPPENS IF THE TEAM IS UNABLE TO COMPLY WITH THE 23-RULE?** If the total skill levels of the lowest five players listed on the roster exceed 23, the team will have to play four players whose skill levels do not exceed 19 in the Open Division and forfeit the fifth match. If a

team's skill levels are to the point where the skill levels of the lowest four players on the roster exceed 19, then they can play three players to 15 and forfeit the fourth and fifth matches.

18. **FORFEITING MATCHES** – Individual matches may be forfeited at anytime during a team match. If an individual match is forfeited *after* the rack has been broken, the skill level of both players in the match will count towards the 23-Rule (19-Rule in the Ladies Division). If an individual match is forfeited *before* the rack has been broken, the player on the team receiving the forfeit remains eligible to play again as the forfeit does not count as a match played. Both teams must be able to show at the end of the team match they could have fielded a legal team (Meaning they could have fielded five players that did not exceed 23 (19 in Ladies Division) had all five individual matches been played). For example; if the opposing team puts up a SL7, your, your team cannot forfeit using an unavailable player so your opponent can't play their SL7. The opposing team would regain the use of their SL7 as long as they can show that they can still remain within the 23-Rule, had all five individual matches been played.

19. **INELIGIBLE PLAYERS** - Ineligible players are those players who, for whatever reason, are not eligible to play in any match during this tournament. All ineligible players will be removed from the Higher Level Tournament roster and will not count for 23-Rule purposes in the 8-Ball and 9-Ball Open Divisions

**\* Ineligible players are not allowed to participate as a coach.**

20. **SENIOR PLAYERS (9-Ball)** - Only two senior skill level players may play in any given team match. Senior skill level players are those players who have a skill level of 6, 7, 8 or 9.

21. **COMMON PLAYERS** – A common player is defined as a player on more than one team. Common players will sit out the particular match in which the two teams are paired against each other. They may not participate in anyway with the team during the match, which includes scorekeeping, coaching, or any other activity that would be considered team participation. If the common player is the captain of either or both teams, a designated captain must be announced to each team prior to the start of the match. Once the team match is concluded, the common players may then rejoin their teams for any subsequent matches, unless they would otherwise be paired against another team wherein the common players are common to both rosters. Should that happen, the above regulations still apply.

22. **TIE BREAKERS:**

**8-BALL ONLY** – **WHAT HAPPENS IF A TEAM MATCH ENDS 2-2?** If it is time for the fifth match and neither team has an eligible player present to play, the match is decided by the performance of the two teams in the first three matches. The team that won two out of the first three matches is determined the winner and advances to the next round of the tournament.

**9-BALL ONLY** – **WHAT HAPPENS IF A TEAM MATCH ENDS 50-50?** Championship matches will be scored the same as weekly play, except individual forfeits will be worth 20 points (instead of 15). The first team to reach 51 points is the winner. In case of a tie at the end of the match of 50 to 50 match points, the tie would be broken by the number of individual matches won by each team.

23. **TEAM DISQUALIFICATION PROCEDURE** - If Higher Level Tournament play is to be truly meaningful and rewarding, then those who play below their true ability must be penalized.

Complaints of unsportsmanlike conduct, or any evidence of a player playing at a skill level below his/her true ability, should be reported immediately to you League Operator.

In order to conduct a fair and equal tournament for all APA players, APA must ensure that all participants are playing at skill levels that are not below their true ability. Handicap manipulation compromises the fairness and integrity of tournament play and cannot be tolerated. Accordingly, the APA may disqualify any team if, in APA's sole judgment and absolute discretion, one or more of its players are deemed by APA to be playing at a skill level below their true ability. The determination of whether a player is playing at a skill level below his or her true ability is necessarily subjective; APA is the sole judge of a player's ability and may make such a determination in its absolute judgment and discretion. Disqualification will mean forfeiture of all titles, awards, prize money, and a minimum 2-year suspension from the League.

The League Operator will review the performance of each team after every round of play and make skill level adjustments as necessary. They will also investigate complaints and review elevated skill levels to determine the eligibility status of the team(s) involved. Teams may be disqualified at any time during or after tournament play if the APA concludes the team members have, without justification, played below their true ability. It is up to the disqualified team to provide an explanation or justification for elevated skill levels.

The APA is the sole judge of a player's ability and may, at any time, raise a player's skill level if the APA believes he/she is not playing up to his/her true ability.

24. **PROTESTS** – The Team Captain must make all protests to the League Operator in a sportsmanlike manner. There is a \$50.00 filing fee for any protest which is refundable if the team filing wins the protest. Any team disrupting the tournament, causing a scene, or causing other problems at or around the tournament site will lose the right to protest. The League Operator will resolve all issues on the spot. The APA is the highest authority. Any rulings made by the APA will be final.
25. **RULES OF CONDUCT** - Read the *Rules of Conduct*. Make sure you understand the penalty level system. It is designed to stop a problem while it is still a small problem. The *Rules of Conduct* may be used by the League Operator or designated tournament official at any Higher Level Tournament event for **any** form of misconduct.
26. **WARNINGS** – If a warning is given in an individual match, that warning will follow the team throughout the remainder of that team match. For example, if a player is warned for sharking his opponent, and in the next match a player from that same team is warned for sharking his opponent, the result will be ball-in-hand. Such warnings will be noted by a tournament official on the scoresheets.
27. **SPORTSMANSHIP** - The primary objective of the League has always been to provide players of all abilities with the fun and enjoyment of friendly competition. Naturally it is expected that each player arrived hoping to do well, and it is expected that each player will be doing his best to win. Each player is expected to accept defeat in a sportsmanlike manner.

Two common violations of good sportsmanship are conceding an unfinished game and undoing a cue during play. Both forms of conduct are frowned upon by professionals, and should be eliminated from amateur play. All players are asked to allow opponents to finish the game

before racking the balls or undoing your cue. No penalty will be assessed unless, in the opinion of the League Operator, a repeated violation of this conduct rule occurs.

Another area of good sportsmanship concerns fouls. A foul is a foul and should be observed as such. Occasionally a player feels that a foul is a foul only if he gets caught. Generally speaking, a professional player will call a foul on themselves. Likewise, good sportsmanship in the amateur ranks requires a player to admit a mistake, and live with the consequences. On the other hand, it is technically each player's responsibility to protect themselves. Pay attention to your game.

28. **EQUIPMENT REGULATIONS** – In general, any piece of equipment designed specifically for pocket billiards, with the exception of jump cues, is acceptable in APA League play. Special equipment, such as bridges and cue extenders, are legal. Jump shots are legal, when executed properly, but such shots must be attempted using your regular game cue. Those cues especially designed for jump shots **MAY NOT** be used in competition. Players are not allowed to break their cue sticks down and use just the shaft to attempt jump shots.

Any equipment bearing any message or image of a sexually explicit or political nature, or a message or image which may be offensive due to the use of profanity or by virtue of its promotion of violence, alcoholism or substance abuse shall be prohibited from use in all APA events. The League Operator shall be the enforcing authority of this regulation.

The League Operator shall have the right to inspect a player's cue or cues at any time during a tournament without prior notice to the player. If the cue or cues are found to be in violation of this regulation, the player shall immediately cease using the objectionable cue during tournament play or face immediate disqualification and forfeiture of all prize money earned and/or entry fee paid.

29. **DISQUALIFICATION** – APA has the absolute and final authority to make all rulings affecting participation in the APA Team Championship programs, including player ability (i.e. correction of skill levels) and disqualification. Disqualification from this event for any reason will mean forfeiture of all titles, awards, prize money, and minimum two year suspension from the League. Disqualification can occur prior to, during, or after the event.

## **TEAM CHAMPIONSHIP RULES OF CONDUCT**

The APA has established the following conduct rules for Higher Level Tournament play. They will be strictly enforced.

1. No loud, abusive or profane language will be tolerated at this tournament. The APA knows most of you are in the League to have a good time and to enjoy some friendly competition. If there is a problem, simply bring it to one of the tournament officials, and the official will handle it. Remember, in each situation the ruling must go for one side and against the other side, and it is required each team be able to accept being ruled against without causing a scene.
2. Unsportsmanlike conduct toward the opposing team or tournament official is not allowed.
3. Any team or player involved in an incident that includes either physical abuse or the throwing of an item at the opponent or tournament official will be disqualified immediately, and required to leave the tournament premises.
4. Any player caught hitting a cue against the table, wall, floor, etc., or recklessly swinging a cue will be disqualified immediately and required to leave the tournament premises.
5. Abusive behavior towards the Tournament Director or any of his or her designates will not be tolerated.
6. Excessively slow play will not be tolerated. You will be warned before any penalty occurs.

The penalties for violating any of the six categories detailed above are as follows:

- \* **A warning may or may not be given, depending upon the severity of the situation.**

**Penalty Level 1** - Your opponent will be given ball-in-hand. If the player is still shooting, or already has ball-in-hand, then that player will be allowed to shoot until missing, and then be given ball-in-hand again.

**Penalty Level 2** - Your opponent will be granted the game. (In 9-Ball, your opponent will be granted the game, along with points for all balls remaining on the table.)

**Penalty Level 3** - Your opponent will be granted the match.

**Penalty Level 4** - Disqualification.

Note: If the violation or disturbance that caused the initial penalty level to be levied does not cease, the League Operator and/or his or her designated assistants have the right to go from one penalty level to the next penalty level immediately.

## MATCH TIME GUIDELINES

We have established guidelines to limit match play time in an effort to produce a tournament that adheres to a schedule that is productive and enjoyable for all participants. We have a full schedule of rounds that must be completed in a timely manner. We strive to offer the best environment and playing conditions for our participants, while fulfilling our obligations to the tournament facility.

The guidelines we have set are more than adequate for tournament status play; in most cases actual match play will take less than the time allotted. Please be courteous; long matches are exhausting to all the players. We ask for good sportsmanship in keeping to the schedule. The Tournament Director may impose "Sudden Death" for teams that are not adhering to the guidelines. Your cooperation will help make this tournament fun and exciting for everyone!

### TIME GUIDELINES FOR INDIVIDUAL MATCHES

TOTAL GAMES MUST WIN	MATCH TIME	AVERAGE GAME
4 - 6	45 MINUTES	10 MINUTES
7 - 10	60 MINUTES	8 MINUTES

EXAMPLE: If a player with a "games must win" of 5 is matched with a player with a "games must win" of 3, the total of their handicaps is 8; so their match should not last any longer than 60 minutes.

### ADDITIONAL TIME GUIDELINES

EACH TEAM MATCH	4 HOURS (3 HOURS 9-BALL)
EACH NEW PLAYER SELECTION	2 MINUTE LIMIT
EACH COACHING	1 MINUTE LIMIT
AVERAGE SHOT	20 SECONDS
SPECIAL SHOOTING SITUATION	45 SECONDS (MAX)
